

JOB DESCRIPTION

We are currently accepting applications from undergraduates at your university who are interested in working for us as Commercial Photographers during our graduation season starting in July 2026.

This is a paid work-experience opportunity and full training will be given before you attend any of our events. All equipment will be provided by Tempest.

Applicants must be available to work at our Graduations as per our schedule and must complete two days of Commercial Photography Training, this will be paid at a rate of £12.25 per day.

You will also be paid a daily rate of £150.00 for any graduations you work at. Your travel and accommodation costs will also be covered by Tempest and a daily food allowance is available including, breakfast, lunch and evening meal.

Main Responsibilities:

- *You must be available to work at graduations in July 2026*
- *Be able to attend graduation events throughout the UK, staying away from home, including evenings and weekends (expenses paid)*
- *You will be setting up a studio and taking high quality photographs of graduates during graduation events*
- *You will be expected to work with Tempest team members to ensure photography during graduation events runs as smoothly as possible, whilst providing excellent customer service to clients, graduates and their families*
- *Be able to work quickly and efficiently*
- *Maintain a professional appearance at all times*
- *Adhere to a schedule, arrive on time and stay for the duration of the event that has been assigned to you*

Please apply using the 'Register your interest' option on the website. For any other questions/ information please email Sarah Swartout: s.swartout@htempest.co.uk
